## YUCKY LEGAL STUFF

By signing below, I certify that I am the legal owner of this dog, and that all information provided is true and correct. My dog is up to date on all required vaccinations and is, to my knowledge, in good health.

I understand that tuition is non-refundable, unless the entire 6 week class is canceled by Best Paw Forward Dog Education. (That would only occur in the event of not enough participants to hold the class.)

In the event of Best Paw Forward canceling a class due to inclement weather or other emergency, I understand and agree that every effort will be made to reschedule that class on a day which is suitable for everyone. Should I not be able to attend that class, the make-up policy described below will become applicable.

I understand and agree to the make-up class policy which is: If I miss one class, I will be able to schedule a "make-up" class within three months. In order to control class size, I realize that I will need to call in advance to schedule my make-up class. There is a maximum of one make-up class per session.

I realize that every measure will be taken to ensure the safety of all people and animals in attendance, however: I hereby hold harmless Best Paw Forward Dog Education, Inc., Frank Verni and any/all employees or persons associated with this class. This applies to every aspect of mental, physical, or property damage.

I will be a responsible pet owner by doing my best to control my pet during class, cleaning up after my dog, and practicing homework on my own in between classes.

I understand that a group training class is not appropriate for female dogs in heat or very aggressive dogs and if these circumstances apply to my dog, we will agreeably leave the class if necessary.

If any children under the age of 18 are attending or participating in the class, my signature below certifies that I am the responsible guardian for this child, and that I understand and agree to all of the above terms and they apply to the child.
